

## FROM THE PRINCIPAL

Dear Parents and Community Members,

Timber Ridge has just completed it's sixth year of operation. Each year we see continued improvement in academics and behavior. We continue to provide students with a strong academic program that incorporates support and enrichment opportunities for all students.

Our school moto is "Learning together, Achieving Together." We provide multiple avenues for students to work, create and play together to develop a strong sense of community and responsibility for their learning. We offer multiple clubs that support core subject areas, art, music, STEM, and athletics.

The success at Timber Ridge is due to our competent and dedicated staff, involved parents, and a very supportive Parent Teacher Club. You can continue to support your student's education by ensuring that they are present and on-time every day and encouraging them to put forth effort in both academics and behavior that supports learning. We look forward to partnering with you in the coming year!

Thank you,

Principal | Jodi Dedera

## STUDENTS

## OVERALL SCHOOL RATING HOW ARE STUDENTS AT THIS SCHOOL PERFORMING COMPARED TO THOSE AT OTHER SCHOOLS?

The overall school rating is intended to summarize this school's particular successes and challenges. It is based on a combination of up to five factors. Three of these factors come from standardized test scores in reading and math: student achievement, student growth, and the growth of underserved subgroups. Please note that this rating is based mainly on high-stakes testing and, accordingly, doesn't represent a complete view of your school's performance. Other aspects of this report card are designed to put this rating in the proper context.

**The U. S. Department of Education has given the State of Oregon approval to temporarily suspend the assignment of school ratings during the transition from the Oregon Assessment of Knowledge and Skills (OAKS) to the new college and career readiness assessments. Schools will not receive an overall school rating on this report card and will receive a new overall school rating on the 2015-16 school report cards.**
